

## **Community Center Director Report – January 9, 2018**

January certainly came in with a bang for 2018. Several mini snow storms canceled schools and filled our gymnasium with basketball players from throughout the Lehigh Valley. Coupled with a multitude of new members fulfilling New Year Resolutions, BTCC has certainly been a popular spot to start the year. Thankfully, we faced only a few disruptions to our fitness schedule and we now look ahead to a fully immersed and very busy winter 2018 programming season filled with aquatic exercise, fitness classes, and numerous other indoor community activities for young and old. Winter Session I programming began this past Monday, January 8<sup>th</sup> with youth programming scheduled to begin January 15<sup>th</sup>.

Along with the busy program schedule we offer, the Community Center has a full line up of special events to keep you warm throughout the winter. A few of these upcoming events include:

**\* Swim School Open House – week of January 8<sup>th</sup> – January 13<sup>th</sup>**

This is a great opportunity for children to try a swim class and be evaluated by one of our swim instructors.

**\* BTCC 2nd Annual Winter Dash – Saturday, January 13<sup>th</sup>**

This event will include a 1 mile fun walk/run followed by presentations by some of our local businesses including Shop Rite Pharmacy, St. Luke's, Dr. Nicole Muschett Chiropractic and more.

**\* Flick-n-Float**

Friday, February 16<sup>th</sup> – 7:00pm-9:00pm

BTCC offers a plethora of other opportunities for personal/group exercise, family enjoyment, and healthy fun for Township residents. BTCC information is available on our website: [www.bethlehemtownship.org](http://www.bethlehemtownship.org). The website is a perfect starting place to find initial information regarding BTCC membership options, hours of operation, exercise/fitness opportunities, and special events that will be conducted at the community center. The front desk staff is always available to answer any questions regarding all community center activity.
