

Community Center Director Report – June 12, 2019

The Bethlehem Township Community Center (BTCC) welcomed the summer of 2019 with a flurry of fun filled activities and events. Camp Groundhog (BTCC's full day camp) began on Monday, June 10th with a full roster of 60 children. The Summer Playground Program is set to begin Monday, June 17th. We have close to 450 children registered for the 8 week season. Participants utilize Comer Park, Chetwyn Park, and Municipal Park as well as attend several field trips throughout the summer.

BTCC's outdoor pool opened for the season on Saturday, May 25th. The weekend started off with cooler temperatures but that quickly changed as Sunday and Monday saw steady crowds and warmer weather. The outdoor pool complex at BTCC is open to the public daily from noon to 8:00pm, weather permitting. The indoor pool was no stranger to crowds as our Blue Sharks swim team began practice on Monday, June 10th and swim lessons and aqua classes begin the week of June 17th.
