

Community Center Director Report – June 15, 2016

The Bethlehem Township Community Center (BTCC) welcomed the summer of 2016 with a flurry of fun filled activities and events over the last month. The Kid's Triathlon was conducted on Sunday, June 5th. Nearly 100 future swimmers, runners, and bikers participated in the successful family event. Camp Groundhog (BTCC's full day camp) began on Monday, June 13th with a full roster of 60 children. The Summer Playground Program is set to begin Monday, June 20th. We have close to 450 children registered for the 8 week season. Participants utilize Comer Park, Chetwyn Park, and Municipal Park as well as attend several field trips throughout the summer. Once again, they will be roller skating at skate-a-way.

BTCC's outdoor pool opened on Saturday, May 28th with what may be our busiest Memorial Day weekend. The outdoor pool complex at BTCC is open to the public daily from noon to 8:00pm, weather permitting. The indoor pool was no stranger to crowds as our Blue Sharks swim team began practice on Monday, June 13th. We currently have approximately 70 children rostered on the team, with a few more still registering. The first home swim meet is scheduled for June 23rd.
