PUBLIC WORKS DEPARTMENT MONTHLY REPORT – AUGUST 2019

During the month the Public Works Department settled into normal summer routine now that the very wet and rainy pattern appears to have finally ended. Grass cutting in parks and detention ponds was ongoing and the radial arm mower continued cutting roadsides throughout the township. With the drier weather we were able to get out to patch potholes. We also had several sinkholes that had to be repaired, though, not as many as last month. We had a crew spraying weeds along fence rows and also sprayed the area in the center of the park in preparation for the wild flower mix that will be planted as suggested by the Wildlands Conservancy.

We had several of our crew help set up before National Night Out.

The Yard Waste Recycle Center had a total of 1328 visits for the month.

Respectfully submitted,

Richard W. Grube
Chief of Public Works
