Treasurer:
Thomas G. Rutherford

Township Manager:
Melissa A. Shafer

PUBLIC WORKS DEPARTMENT
MONTHLY REPORT – DECEMBER 2015

The mild December weather allowed residents to rake leaves long into the month. As such, we had our leaf machines out longer in the season to keep up with the additional work. During this time we also needed to get our trucks ready for the winter weather that will eventually arrive. Trucks need to be changed over by adding salt spreaders and spinners to the back of the trucks and making sure all of the hydraulic hoses are in good condition and connected properly. The plows are also checked and repairs and adjustments are made as needed.

The mild weather also allowed us to continue with hot mix asphalt patching in various section of the township. At the end of the month the leaf machines were cleaned and regular maintenance performed and placed into storage.

The Yard Waste Recycle Center had a total of 367 visits for the month.

Respectfully submitted,

Richard W. Grube
Chief of Public Works
