PUBLIC WORKS DEPARTMENT MONTHLY REPORT – DECEMBER 2019

December started with the threat of winter weather. Roads needed to salt on the first but the larger snow event missed our area. After the trucks were emptied and cleaned it was back to leaf collection. Our crews continued with leaf collection into the holidays, as residents continued to rake their properties. We also had a patch crew out to fill potholes throughout the township, as needed.

The Yard Waste Recycle Center had a total of 228 visits for the month.

Respectfully submitted,

Richard W. Grube
Chief of Public Works
