PUBLIC WORKS DEPARTMENT MONTHLY REPORT – FEBRUARY 2016

Commissioners:

Thomas J. Nolan

Township Manager

Melissa A. Shafer

The month of February was on the mild side with only 3 winter events that we needed to deal with. With each storm we prepare the trucks prior to the event and then have to clean them up afterwards. There were also a few heavy rain events that required our crews to monitor and clean storm drains.

The remainder of the month had a crew cutting and trimming street trees in the Wagner Farms area for clearance of our trucks as well as firetrucks and emergency vehicles. We also started to service our lawn mowers for the start of grass cutting season. We also had a patch crew out with cold patch to repair potholes throughout the month.

The Yard Waste Recycle Center had a total of 144 visits for the month. This was one of the lowest months on record due to the heavy snow in January.

Respectfully submitted,

Richard W. Grube
Chief of Public Works
