**PUBLIC WORKS DEPARTMENT**  
**MONTHLY REPORT – NOVEMBER 2015**

November is the month that is devoted almost entirely to the collection of leaves. Residents have been raking and our crews have been traveling the township vacuuming leaves placed at the sides of the roads. We have the township split into 3 sections and have one big leaf vacuum in each area. During the heavy weeks just before Thanksgiving, we try to put a 4<sup>th</sup> big machine out to help in certain areas.

Early in the month we still needed to cut some grass and there were a few storms that we needed to do some cleanup.

The Yard Waste Recycle Center had a total of 999 visits for the month.

Respectfully submitted,

Richard W. Grube  
Chief of Public Works
