PUBLIC WORKS DEPARTMENT MONTHLY REPORT – NOVEMBER 2019

November is almost exclusively devoted to leaf collection. This year was no exception. The leaves were coming off the trees earlier than last year and we constantly had piles for our crews to be busy throughout the month.

There were a few storms that required us to cut up some downed trees and use our chipper. The bathrooms at the Municipal Park were officially closed for the winter on November 1 and winterized.

The Yard Waste Recycle Center had a total of 812 visits for the month.

Respectfully submitted,

Richard W. Grube
Chief of Public Works
