John K. Gallagher

Treasurer:

Rosalia Italiano-Cacciabeve

Township Manager:

Doug Bruce

PUBLIC WORKS DEPARTMENT MONTHLY REPORT – OCTOBER 2019

Early in the month our crews were cutting grass and patching potholes while the weather was warm and we could still get hot asphalt before the plants closed. We started leaf collection on October 14. However, in past years we would put out only one machine as the piles are usually light. This year we started with two machines as we were noticing a good deal of leaf piles around the township early this year. By the end of the month we were in full leaf collection mode.

While we had time early in the month we did send out the sealing machine to seal many of the patches we did over the last several months. During a rainy day at the start of the month we moved the salt spreader boxes from storage at Hope Road to our Falmer Garage. Later in the month we put a few of the spreaders on trucks that are not used for leaf collection.

At the request of the community center, we repaired a section of sidewalk at a handicapped ramp that had sunk lower than the curb.

The Yard Waste Recycle Center had a total of 899 visits for the month.

Respectfully submitted,

Richard W. Grube
Chief of Public Works
