Thomas J. Nolan

Township Manager
Melissa A. Shafer

The main project of the month was the asphalt recycling of Tuskatee Drive and Linden Street. Recon Construction won the bid to perform this Cold In Place Asphalt Recycling of these two streets. After the contractor completed their work, our crews placed the wearing course of paving over the new base.

In addition to that project we continued to keep up with grass cutting, street sweeping and crack sealing. A large tree came down along the bike path near Sheridan Drive and we needed to get the chipper there and a crew to cut it and clean up the area.

During this month we also pulled all of our leaf machines out of storage and had them inspected and checked for the upcoming leaf season.

The Yard Waste Recycle Center had a total of 1101 visits for the month.

Respectfully submitted,

Richard W. Grube
Chief of Public Works
