John K. Gallagher

Treasurer:

Rosalia Italiano-Cacciabeve

Township Manager:

Doug Bruce

PUBLIC WORKS DEPARTMENT MONTHLY REPORT – SEPTEMBER 2019

Our crews continued on grass cutting. However, with the dry weather conditions we were able to use less personnel on grass and freed up some workers to get on other projects. We worked with Easton Suburban Water Authority on the repair of a recurring sinkhole issue on Rhine Place.

With all of the sinkhole repairs and pothole patches that have been done over the last few months we needed to send out the tar buggy to seal all of these areas around the township.

This dry weather was ideal to make repairs on some storm inlets that were deteriorating and causing roadway issues. We helped out the police department by installing a sign and painting parking lines for the designated secure drop off area at the municipal building.

The dry weather also allowed us to freshen up the lines on the roller hockey court at 14th Street playground and add lines for the half court basketball court there.

We hauled a large load of used tires to be recycled at the cement plant in Coplay.

The Yard Waste Recycle Center had a total of 1162 visits for the month.

Respectfully submitted,

Richard W. Grube
Chief of Public Works
