Bethlehem Township

About Us

The Bethlehem Township Community Center is a comprehensive 50,000 square foot facility that opened in February 2006. Our camp will be located inside, to cool off from the summer heat, along with outside activities to enjoy the summer sun!! Our goal is to make sure every camper has a safe and happy experience with new and challenging activities daily.

All of our counselors are carefully selected and must complete an extensive training. Each counselor is required to complete CPR & First Aid training and appropriate background clearances.

Lunch/Snacks

All campers must provide their own lunches each day. We will not be able to heat up lunches. Please label all items that your child brings to camp. Each camper will need to bring a labeled water bottle and snack with them to camp every day. Snack time will be daily at 3pm.

Campers are not permitted to purchase anything out of the vending machines or concession stand.

Other Groundhog Info!!!!

Campers go swimming on a daily basis from 11am-Noon. We recommend campers wear a swim suit underneath clothing, and bring a change of clothes for after swimming.

The Hog Harold is the weekly publication sent out to all parents prior to the camp. Check your email prior to arriving at camp.

Drop off/pick up procedures

A designated drop off location will be available in front of BTCC for families to safely drive up and drop off their camper. Drivers will remain in their vehicle and a staff member will greet the child for check in. Check in will take place between 8:00am- 8:30am. After 8:30am, please park and walk campers into the facility.

Camp pick up will take place inside the community center by a guardian to ensure proper sign out. Proper ID Required if not recognized. If a camper is not picked up by 5:00pm, late fees will apply.
