Laugh and Learn 3's

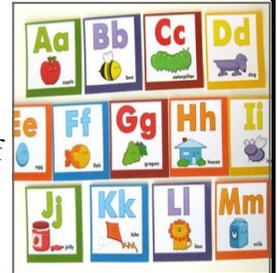

3 years old

Our goal is to provide a stimulating environment that promotes cognitive, social, language and physical development for children. This program was designed to help children realize an enthusiasm for learning in a comfortable and fun environment. Each morning will include circle time, themed activities, crafts, songs and movement, games and discovery project. Our program is taught by a certified early childhood professional with over 20 years of experience in the field.

Tuesdays, 9:30am-10:15am

Session I— January 17th— February 21st (no class January 31st)

\$35 member/ \$45 non member

Fun Jump and Giggle

18-36 months

This is your chance to spend time with your young child in a gym program with the focus on fun!

Enjoy activities such as parachute games and balls mixed with music and imagination to enhance coordination and improve large motor skills. You'll love spending this time with your child.
