Public Sewer Application

Application date: _____

BSP# _____

Permit Issued by: _____ Date: _____

Please read the following before proceeding: This is an application for a BTMA public sewer service lateral installation and or a building sewer permit. In order to determine service availability complete this form and email to the BTMA at: BTMA@bethlehemtwp.com. You can expect to receive step by step instructions regarding service for the location specified. Be sure to complete Section 1 and 2 of this form and submit all supporting information in a PDF format. Contacting the BTMA or Township via telephone will only delay receiving information since all requests must be in writing. To assist you in identifying your site location visit the Bethlehem Township Public GIS system at https://btgis.org/viewer/. Complete this form per connection requested.
