PUBLIC WORKS DEPARTMENT MONTHLY REPORT – JANUARY 2021

Commissioners:

Malissa K. Davis
John K. Gallagher
Michael D. Hudak
John J. Merhottein
Dale A. Sourbeck

Treasurer:

Rosalia Italiano-Cacciabeve

Township Manager

Doug Bruce

January for the most part was mild. We had 3 weather events that required salting of the roads. January 3, 20 and 29 all had minor accumulations that called for salt application.

Most of the month was mild which allowed our crews to work on several projects. We had a crew cutting and trimming street trees, Patching potholes, replacing sod ripped up from the snow plowing in December and removing the goal posts from the Northside Athletic Complex.

Work on the area of Sculac and Wilson just south of the old Railroad overpass that was damaged in the summer flooding was started. The ripped up blacktop was removed and the area excavated. Stone was placed and compacted. Concrete was placed instead of blacktop due to the amount of water that flows through this area. The area just north of the old railroad overpass will be completed as weather allows.

There were several complaints of dumped tires in the canal along the river on Wilson Ave. that we had to haul out. These tires along with used tires from the police and other departments were taken for recycling.

Repaired a sinkhole along the fence line in the Long Court detention pond.

The Yard Waste Recycle Center recorded 528 visits for the month.

Respectfully submitted,

Richard W. Grube
Chief of Public Works
