## PUBLIC WORKS DEPARTMENT MONTHLY REPORT – SEPTEMBER 2020

### Commissioners:

Malissa K. Davis  
John K. Gallagher  
Michael D. Hudak  
John J. Merhottein  
Dale A. Sourbeck

### Treasurer:

Rosalia Italiano-Cacciabeve

### Township Manager

Doug Bruce

The beginning of the month we finally had a chance to address some of the issues that remained from the tropical storm that effected the area in August. There were a few trees that were down along the tow path and bike path that we needed to get cleared. There was also a washout alongside of the box culvert on Rutland Road. The stormwater came over top of the roadway and eroded a deep gully next to the side wall. This repair required stiff concrete to be poured to fill in the area

Regular work included grass cutting in all of our parks and detention ponds. The Radial Arm Mower was still out cutting roadsides. We had a crew rebuild two storm inlet tops on Ohio Street and one of Bayard that were badly deteriorated and falling in

During the dry spell we were experiencing we had our crew take out our sealing machine to place the rubberized sealer on all of the patches that was made to paving during the summer. We also sealed the road repairs that our contractor made to the washout areas from the tropical storm.

The Yard Waste Recycle Center recorded 1244 visits for the month.

Respectfully submitted,

Richard W. Grube  
Chief of Public Works
