

## SAFETY COMPLIANCE AGREEMENT

I, \_\_\_\_\_, as owner (or owner's agent) of \_\_\_\_\_  
\_\_\_\_\_ (name of contractor) and its employees and  
subcontractors fully understand all OSHA, local, state, federal, and other regulations  
pertaining to, but not limited to construction trench safety and shoring requirements,  
confined space entry procedures, work zone traffic control, etc. I agree that \_\_\_\_\_  
\_\_\_\_\_ (name of contractor) and its employees and  
subcontractors agree to follow all regulations and requirements of the above agencies and  
have all the proper equipment or agree to obtain the proper equipment necessary to do so  
while performing all work required for the construction of \_\_\_\_\_  
\_\_\_\_\_ (name of project).
